GLENCOE MOUNTAIN RESORT

CORONA VIRUS/COVID-19 PROTOCOLS

**PLEASE DO NOT TRAVEL TO THE RESORT IF YOU, OR SOMEONE IN YOUR PARTY, IS FEELING UNWELL.
PLEASE CANCEL YOUR BOOKING.**

We look forward to welcoming you for a tubing session.

To ensure your safety, we have introduced the following operational changes. Please read this document. We are relying on your support to ensure everyone is safe on site.

- Numbers on the tubing slope have been limited to a maximum of 18 at one time.
- Sessions have been reduced to 30minutes, to allow ample time for cleaning of the tubes between sessions.
- We recommend customers bring their own helmets. Where this is not possible, we can supply helmets that have been cleaned and quarantined.
- Tubes will be carefully cleaned between sessions.
- Hand sanitiser will be available.
- 2m distancing between customers will be maintained by the slope supervisor. The only exception to this rule will be for family groups.
- Exclusive use of the slope for a family group can be arranged.
